

May was an excellent month for STRIDER with 8 women recruited!

Special congratulations to Jon Hyett and his team at **Royal Price Alfred, Sydney**, on their first recruit. Teams at the **Royal Women's, Melbourne**, & **KEMH, Perth**, each enrolled two new participants & there was one new participant at Royal Brisbane & Women's, Christchurch & Auckland City Hospitals. These numbers make a real difference towards meeting our goal of recruitment completion in 2016, well done!
